

Viewing Course Requests for Next School Year

Parents can log in to their HAC account and **VIEW** the course requests that their student has made for next school year. Parents do **not** have access to change these requests. (Students will be receiving help from their guidance counselors to enter these requests in their student HAC account.)

Parents who have accounts can log into HAC by going to the website www.irvingisd.net/hac.

Parents who wish to create a new HAC account must visit their school to be verified. Otherwise a parent could have their student login with their **student account** and see the same information.

Remember these are course REQUESTS. If a parent see an error or problem, they should talk with their student and/or school counselor. All requests are dependent on final approval of the school counselor and can change because of scheduling conflicts.

Course requests are found at the bottom of the page under the CLASSES icon.

The screenshot shows the HAC website interface. At the top right, the user is logged in as 'Mary Jackson' with a 'Logoff' button. The user's name 'Michael Jackson' is also displayed. A navigation bar contains icons for Home, Attendance, Classes (circled in red), Grades, and Registration. Below this, there are tabs for 'Classwork' and 'Schedule'. The main content area displays a table of current course requests. At the bottom, a section titled '2017 - 2018 Course Requests' is highlighted with a red border. A red arrow points from the 'Classes' icon to this section.
